

In the jungle of India, a group of villagers are sightseeing

Later that night, Shere Khan the tiger, and his sidekick Tabaqui the hyena attack the villagers

A young boy named Mowgli runs off in search of his parents, only to get lost

He is eventually taken into a wolf pack by wolf parents

Alexander hears some hustle

Mama Wolf take's the Cubs and
Man-Cub safe into the Cave

From that day onwards Mowgli was brought up
by the Alexander and Mama Wolf

Mowgli befriends Baloo the bear,
Bagheera the panther

Baloo and Bagheera helps Mowgli
to adapt to the jungle

Bagheera:""Mowgli I've told you before,
you must hang on tight when you're up in the tree

Mowgli:"But Bagheera it's not that easy
I don't have strong claws"

Baloo:"Looks like you're having a tough time trying to train him"

Bagheera:"Because he insists on learning to hunt like us"

Mowgli tries to catch a bird, but suddenly branch breaks and falls down

Baloo and Bagheera can't watch him falling down

Out of nowhere Kaa saves Mowgli

Kaa:"Next time you're going to get hurt.
Why do you keep trying this hard?"

Mowgli:"Because I made a promise to my
father that I'll be a worthy Wolf"

Mowgli remembers his father last words

Alexander:"Mowgli promise me that you'll be
a brave wolf and will always
take care of your mother"

Wolf howling at the moon as a signal
to attain the meeting

Leader of the Wolves starts the meeting
Kayla:"I've called you'll here
because Shere Khan who has been
peaceful until now has begun to cause trouble"

Kayla:"I'm warning every member of the pack of the
danger on the other side of the
Kohinoor river in Shere Khan's territory"
Mowgli arrives late for the meeting of the pack

Lila:"I'm against the wolf partaking in a human"

Mowgli gets angry at Lila but
ologises for coming late to the meeting

Lila:"Grandfather, I'll never accept his apology
and I'll never accept him as a
member of this Wolf Pack."

Mowgli tries to hunt and prove that he's a
worthy wolf but fails to hunt a rabbit

Out of frustration he break a piece
of a bark and throws it away

Mowgli:"Huh, I'll never be able to do it"

Mowgli:"That's interesting"

Mowgli tries it again to see if it returns again

Mowgli shapes the wooden piece into a Boomerang and masters his hunting skills

Protective Bagheera who always has a watch on Mowgli was impressed by his inventiveness

Angry Baloo shouts at him for Bagheera: "But since you didn't notice me you have a long way to go"
Mowgli: "Isn't this great, I got two in one shot?"

Baloo:"Always listen to the surroundings,
it has many secrets to tell"

Bagheera:"Don't listen to him Mowgli,
he doesn't know anything about hunting

all he know to eat."

Baloo:"How dare you !!!"
They keep fighting and Mowgli leaves
Mowgli returns home and sees that Mother
is upset

Mother:"You both are grown up and
you should be on your own"

Accru and Sara have no choice and they
leave their home to be on their own

Mowgli:"Why do they have to go mother,
we are family aren't we ?"
Mother:"Because it's a law of the jungle"

Mowgli:"Come on ChiChi I'm here to take you back to the pack"

Shere Khan's right hand Tabakie attacks ChiChi but Mowgli save him

And then Shere Khan appears,

all this was a plan to bring the Man-Cub near him.

but Mowgli save him

Shere Khan: "I haven't eaten Man flesh for

This was the first time when they faced each other."

Mowgli: "Not yet Shere Khan, I'm a worthy wolf"

Mowgli saves ChiChi from Tabakie but loses his fang. ChiChi climbs the tree

Shere Khan: " How dare you attack!!!"
Baloo and Bagheera reach to the scene

Shere Khan: "You are foolish to come here just for a panda"

Mowgli: "It was wrong of me to let a friend come here all alone"

ChiChi tries to cut the banyan
Let's go!!!

Shere Khan Attack!!!

ChiChi saves Mowgli

Shere Khan falls down into the river

Mowgli: "Haha Bye Bye Khan"

Shere Khan: "Man-Cub,
Beware of Shere Khan"

Once During Hunting Accrue gets injured

Akela:"He has to pay for his own mistake
, Accrue breaks the rule while hunting
, hence gets ostracized.
But the wound gets infected

Mowgli: "He's my brother, I don't care
about the law, Family comes first"

Bagheera: "Only Kaa can tell us how to
save him from infection"

Kaa: " Only Purple Flower can heal him"

Mowgli: "Where can we find it?"

Kaa: "On that Mountain"

Mowgli runs through the forest,
through the wind, for the sake of his brother

Climbs the Mountain

There's the Purple flower!!!

Got it!!

Rock Slides, Mowgli is about to die

He's helpless

Eventually with the help of a
tree he gets saved

Gets surrounded by Hyenas

Aaarrghhhh!!!!!!

Sarah saves Mowgli from Hyenas,
proves to be a worthy wolf.

Shere Khan: "Bring me that Man-Cub"

"He's coming with the elephant hurdle"
"I think he's coming to surrender"

Elephant: "Run for your life Shere Khan"

Shere Khan gives up and runs away

Run away otherwise I'll treat like
any other miserable insect if you disobey me

Shere Khan and his wolf bullies leave and
never return to the jungle

The role of leader of the pack is offered to Mowgli, but he turns it down and gives it to Little Raksha.

Bagheera and Baloo give Mowgli a book featuring jungle animals. He thanks them and then runs off.
